RE: CLIA # 17D1089651

Dear Laboratory Director,

The purpose of this letter is to verify that the laboratory located at the above address is currently certified under the Clinical Laboratory Improvement (CLIA) program. The laboratory's current **Certificate of Accreditation is effective September 25, 2023 and expires September 24, 2025.**

This letter is sent due to the fact that CLIA certificates are not re-issued for regular certificate changes (i.e. demographics, ownership or laboratory director) or misplaced certificates and that we can no longer send out print screens from the Centers for Medicare and Medicaid Services (CMS) database.

This letter is proof that the above stated entity continues to participate in the CLIA program. You will receive a new certificate from CMS at the time of your next renewal.

If you have any questions, please contact our office at 785-296-3811 or email at address below.

Sincerely,

A handwritten signature in black ink that reads "Erin Tork". The signature is written in a cursive, slightly slanted style.
